Billet Chrome
Exhaust Plate**

This is the newest and undoubtedly the nicest GM Licensed Exhaust Plate on the market. We started with a piece of lightweight billet aluminum and cut it to the correct shape. We then milled an area so the emblem is slightly raised for an amazing look. These exhaust plates have our WCC quality Triple Chrome Plating. Not only is this the best looking plate available, it's priced right too. Simple peel and stick adhesive. *Note; Exhaust plate will work with all muffler systems except the Corsa Tiger Shark system.
